In regard to my request for the allotment of a house site to me at an early price in the Kumara Park extension the Dewan was pleased to say that he would consider the matter though he felt that there would be many difficulties in the way As you are aware there have been many precedents for giving preferential treatment in the matter to officers of Govt as the merits of their services & the needs of urgency & necessity for a home. I shall be obliged if you will kindly submit the matter once again to the Dewan with relevant particulars & obtain his favourable orders.
